FOUNDRY VINEYARDS WEDDING & EVENT RENTALS

Foundry Vineyards is a unique and memorable venue focused on the combination of ART + WINE. Sip a glass of award winning wine with your colleagues, friends, or family while enjoying the contemporary art gallery and modern sculpture garden.

With high ceilings, concrete floors, and metal rafters, the gallery creates a minimal, modern ambiance for your wedding ceremony, business dinner, or fundraiser. In the warmer months, the urban feel of our contemporary sculpture garden sets a warm and welcoming mood for a birthday party, wedding, or reunion.

A photograph of the exterior of the Foundry Vineyards building at night. The building has a modern, industrial aesthetic with a large, illuminated sign that reads "FOUNDRY VINEYARDS" in white, bold, sans-serif capital letters. Below the sign is a large, multi-paned window that is brightly lit from within, showing a warm orange glow. The sky above is a deep blue, and the overall scene is well-lit by the building's lights.
